

City of Takoma Park

## **Takoma Park Police Department**

---

### **Upcoming Street Resurfacing**

**The City street resurfacing project, originally planned to begin on Thursday, is now expected to start on Monday, July 14. The program is expected to continue over two weeks, weather dependent. Flyers will be delivered to all properties on the affected streets with more detailed information and likely work dates. The milling (scraping 2 inches of old asphalt) will take place first and the resurfacing will follow five to seven days later. The streets will be posted with No Parking signs prior to the work dates.**

**The work will take place in the following order:**

**New York Avenue - from Takoma Avenue to Baltimore Avenue**

**Baltimore Avenue - from New York Avenue to Philadelphia Avenue**

**Birch Avenue - from Cedar Avenue to Barclay Avenue**

**Maple Avenue - from Philadelphia Avenue to Maplewood Avenue**

**Maplewood Avenue - from Maple Avenue to Flower Avenue**

#### **Key points:**

- **The work hours are 7 am to 5 pm**
- **Access to the street will be limited or blocked during milling and completely blocked during paving.**
- **No parking will be allowed on the streets during the work, but can resume after 5 pm so long as they are moved before 7am**
- **If residents have critical, scheduled events (dialysis appointments, medical transport, appliance delivery, or household move), please contact Public Works 301 891 7611**
- **Speed humps and street markings will be reinstalled a week or so after the paving is completed**
